## Programme of Dances from Around the World

**The first of the dancing events around the RSCDS world on this day**

This RSCDS event aims to dance round the world one year after the RSCDS centenary and then flood social media with photos of Scottish dancing.

Hikurangi Hall – north of Whangarei, just off State Highway 1

Take the Drury/Pukekohe exit from the motorway. If travelling south, turn left. After about 500 metres turn right at the roundabout and drive behind the shops to the hall. Plenty of parking.
